Acorns Children's Hospice provides care for local children and young people with life limiting and life threatening conditions, as well as support for their families. Thank you for your support.

There is no charge to families for Acorns services but running costs stand at £7,500 per day per hospice - that's £750 per day for each child's care. The money raised from sponsorship will go towards helping us to continue to provide our vital care services. See the difference your donation could make:

£4 could pay for medical disposables and medication for a child for a day

£18 could pay for a complementary therapy session

£31 could pay for one hour of care

£68 could pay for a support session for a young person or bereaved family

£98 could pay for a week's food for a child during their stay
